Dear Prospective Member:

I would like to welcome you to AFSCME Local 2401 ("We Make Human Services Happen")! On behalf of the Officers, Executive Board and Committee Chairs we are committed to serving all of your union needs that are governed by our Master Agreement and Compensation Agreement as well as the member benefits that are provided by the AFSCME International and AFSCME District Council 20 benefits programs.

I look forward to meeting with you at our monthly General Membership Meeting, which is held on the last Tuesday of each month. Please get involved with your Local's committees. The six Standing Committees are Good & Welfare Committee; Women's Committee; Political Action Committee (PEOPLE); Election Committee; Membership Committee and Health & Safety Committee. Special Committees are created, as needed. A very important person to know would be your agency's shop steward(s). Feel free to contact them and get more information. Contact information for all of the Local's leadership is located on the Local's website (www.afscme2401.org).

It is very important to know that if you are a probationary employee, you do your best to pick up the skills necessary for your position. As your Local's President, I am accessible when necessary. I can be reached at 202-724-7205 or 202-570-3136. If you are unable to reach me, please contact your Local's Vice President, Paula Akinleye at 202-724-4805 or 202-365-7650. As a member, you can stay connected with the Local by signing up with the Local's website as well as by joining the Facebook page (AFSCME Local 2401).

You are now a member of the AFSCME family and a strong UNION that has firm hands and performs progressive actions on behalf of the members we serve. Have a wonderful tenure with your agency and again, I look forward to meeting with you.

WELCOME TO LOCAL 2401

In Solidarity,

Wayne L. Enoch, LGSW President
